Motion to Extend Time of Telephone Conference

Now comes the Plaintiff and represents that on March 9, 2006, the court ordered that the Defendant, Capco Steel Corporation, make certain financial records available for the Plaintiff's inspection with Capco's accountant. It also ordered that a telephone conference be held on April 28, 2006, at 2:15 p.m.

The Plaintiff has attempted to secure an accountant who would inspect the records but has found it impossible to do so because of the tax deadline.

Wherefore, the Plaintiff moves that the telephone conference be extended for approximately a month at the Court's convenience.
